BizTek ACCELERATORS
STRATEGY · LEADERSHIP · GROWTH

COMPANY PROFILE

Plan, build and lead new ventures. From the first project report to a running plant.

BizTek Accelerators is a Bangalore-based consulting firm for entrepreneurs, MSMEs, corporates and investors. We deliver through a network of senior associates with decades of hands-on experience and stay vendor-neutral in every recommendation. We are deepest in electronics (ESDM, PCB & PCBA) and semiconductors, and work across India's other growing sectors.

2005	14	Senior	Global
BizTek roots — Business Technology Management	services across the venture lifecycle	associates: CXOs, plant heads, domain experts	India · USA · Europe · Middle East · Singapore · Australia

WHY BIZTEK

Been there, built that
Associates who have set up plants, run P&Ls and led teams — not first-time advisers.

Vendor-neutral
Advice is never tied to what anyone sells, including BizTek's own arms.

Accountable
BizTek stands behind every engagement with quality reviews and clear deliverables.

Right-sized
A single occasion, a fixed assignment or a few days a month — scoped to your need.

HOW WE ENGAGE

01 **Understand**
A structured discussion and questionnaire to capture your need.

02 **Propose**
Scope, team, timeline and fees — under NDA where needed.

03 **Deliver**
A matched pod of associates with regular progress reporting.

04 **Hand over**
Clear outputs, knowledge transfer and continued support.

JOIN THE BIZTEK NETWORK

Your experience is still your greatest asset. Put it back to work — on your terms.

We are building India's network of senior professionals — serving and retired CXOs, plant heads, engineers, finance and quality leaders — who want meaningful work with dignity, professionalism and financial independence.

THREE WAYS TO WORK WITH US

Associate

Senior professionals & domain experts

Take up assignments that match your expertise — DPRs, project management, CXO roles, audits, training — as part of a BizTek delivery pod.

Domain Lead

Recognised leaders in a service line

Lead and mentor the associates in your domain, review quality and shape how BizTek delivers in that service.

Lead Partner

Anyone who can open a door

Introduce a client or opportunity to BizTek and be rewarded over the life of the project — you need not be an associate.

WHAT YOU GET

- A fair share of the fees on every assignment you deliver
- Work that fits your time — part-time, project-based or occasional
- BizTek handles contracts, invoicing, collections and documentation
- Leads from BizTek's client development and partner network
- A professional platform, brand and peer community behind you

HOW TO JOIN

01 **Apply or get referred**
Apply at biztek.in, or be referred by an existing associate.

02 **Profile & conversation**
We understand your expertise, availability and interests.

03 **Associate agreement**
A clear agreement covering confidentiality, quality and revenue share.

04 **Get matched**
You are listed in our directory and matched to assignments.
