BizTek Global

Overseas consulting: the same BizTek services, remote, hybrid or onsite.

Seasoned manufacturing expertise, wherever you build.

Senior industry leaders from India's electronics and manufacturing ecosystem work with you remotely, on site, or both, under one BizTek contract. Our associates have built, run and turned around plants and businesses, and BizTek's quality and confidentiality standards stand behind every engagement.

WHO IT'S FOR

- Global consulting, research and investment firms that need practical India ESDM and manufacturing insight
- Foreign companies entering or expanding in India
- Indian companies building plants or operations abroad
- Manufacturers in the Gulf, South-East Asia and Africa setting up or scaling a plant

WHAT YOU GET

- A named senior associate, introduced before you sign
- One contract with BizTek Accelerators, India
- Working hours planned around your time zone
- Weekly status and gate reviews against a joint schedule
- Visits only when they add value; travel at cost, no mark-up
- A mutual NDA before any confidential information

WHY BIZTEK

Hands-on experience

Associates who have built, run and turned around plants over full careers.

Depth in electronics

PCB, EMS, semiconductors, batteries, power electronics and adjacent sectors.

Remote first

We travel only when it adds value, and agree every trip with you in advance.

Integrity by design

A written Government Interaction Code and no vendor commissions, in every country.
